Registration Process

- Registration will be required by individual teachers using the OnTrack system. Districts will not be able to register teams of teachers. Districts should work with the teachers they want to attend to encourage their early registration.

- Registration will open for teachers in the seven (7) Regional locations on FEBRUARY 1, 2011. OnTrack will be monitored to ensure that the teachers registering between FEBRUARY 1 – FEBUARY 15 are from the regional area. Those districts should encourage their teachers to register early in the window.

- Registration will open for the state on FEBRUARY 16. All sessions and seats will be available after that date.

ELA Second Year Implementation

- Ongoing support will be offered for LEAs via a Request for Proposal (RFP) process awarded to geographically created consortia.

- Each consortia will prioritize their learning needs.

- Consortia will design a program utilizing a variety of professional learning modules designed by state Core Academy facilitators and/or Writing Project Fellows.

- Professional learning modules from which to choose may include the following:

  - Secondary Common Core Writing
  - Elementary K-2 Common Core Strands and Lesson Design
  - Elementary 3-5 Common Core Strands and Lesson Design
