Annual School Plant Capital Outlay Report - FY 2012- By Number

District	Project Number	Project Location	Project Description	New/Added Sq. Ft.	Est. Cost

The SCHOOL PLANT CAPITAL OUTLAY REPORT is provided in accordance with Utah Code 53A-20-103 - School Construction - School Plant Capital Outlay Report, which states "The State Board of Education shall prepare an annual school plant capital outlay report of all school districts, which includes information on the number and size of building projects completed and under construction."

REPORT DETAILS - DISTRICT/CHARTER SCHOOL is the school district or charter school in which the project is located. **PROJECT NUMBER** is the number assigned for the project by the USOE (Jenefer Youngfield - School Finance) after receipt of all of the "Pre-Construction Checklist" items. **SCHOOL/LOCATION** is the facility/location in which the project is located. **PROJECT DESCRIPTION** is a brief description of the project.

* **NEW/ADDED SQ. FT.** indicates new buildings/facilities and/or existing buildings/facilities in which square footage is added to one or more of the existing buildings at the site, with each respective project listed. Project(s) with N/A noted are those without square footage added to the building(s).

* * **PRELIMINARY COST ESTIMATE** information is taken directly from the SP-4 Preliminary Information on Proposed School Facilities Construction forms - submitted for projects estimated to cost in excess of $99,999, as required by Utah Code 53A-20 School Construction and Administrative Rule R277-471 Oversight of School Inspections.

* * * **PROJECTS INCLUDED IN THE SCHOOL PLANT CAPITAL OUTLAY REPORT** this reports includes projects considered ***active*** during one or more months of the FY12 period.
