KeyNote Speaker: Christine Yoshiaga-Itano, *(Topic to be determined)*

Dr. Christine Yoshinaga- Itano is a Professor of Audiology in the Department of Speech, Language and Hearing Sciences at the University of Colorado, Boulder. She received her Bachelors degree from the University of Southern California in Psychology, her Masters degree in Education of the Hearing Impaired and Ph.D. in Audiology and Hearing Impairment from Northwestern University. Dr. Yoshinaga- Itano is both a teacher of the deaf and hard of hearing and an audiologist. She has conducted research in the areas of language, speech, and social-emotional development of deaf and hard-of-hearing infants and children for over thirty years.

Speakers

Susanne Scott, "The 'WHY' and 'How' of an ASL/English Bimodal Bilingual Approach"
Laurent Clerc National Deaf Education Center at Gallaudet University

Susanne Scott, is a cochlear implant/bilingual specialist at the Laurent Clerc National Deaf Education Center at Gallaudet University. She has worked at Gallaudet and the Clerc Center since 1980, first as an educational audiologist, then as a clinical educator in the Department of Hearing, Speech, and Language Sciences. Scott joined the Cochlear Implant Education Center in 2003, where she provides content expertise in cochlear implants and ASL/English bilingual programming specific to working with professionals, students, and families at the Clerc Center and throughout the nation. She received her master's degree in audiology from Gallaudet University.

Workshops

Dr. Richard Jeffries, "Reading to Deaf Children" ***Laurent Clerc National Deaf Education Center at Gallaudet University***

Based on the Reading to Deaf Children: Learning from Deaf Adults manual and DVD, this workshop teaches the effective book-sharing techniques known as "the 15 Principles for Reading to Deaf Children." These principles were developed based on research studying effective communication strategies deaf adults use when reading to deaf and hard of hearing children.

Teresa Caraway, "Lend Me Your Ears: Auditory-Verbal Strategies and Techniques to Improve Listening and Spoken Language Outcomes"

Teresa H. Caraway, PhD, CCC-SLP, LSLS Cert. AVT, CEO & Founder, Learning Innovation Associates, advances listening and spoken language for children with hearing loss through professional training, consulting, and mentoring worldwide. She is the Co-Founder and former Executive Co-Director of Hearts for Hearing in Oklahoma. A leader in Auditory-Verbal practice, Dr. Caraway served as Founding President of the AG Bell Academy for Listening and Spoken Language and a board member for AG Bell Association for the Deaf or Hard of Hearing as well as Auditory-Verbal International. She is currently serving as a Founding Board member of the American Cochlear Implant Alliance. Dr. Caraway is a sought after international consultant and speaker blending research into practice.
