Application for the Utah State Office of Education Mathematics Enhanced Level 2

This endorsement may be attached to an Educator License with an Elementary, Secondary, or Special Education area of concentration. A person with an Educator License who completes the requirements for the Mathematics Enhanced Level 2 will receive an endorsement allowing them to teach mathematics courses through Secondary I.

Applicant Information

Name_____ Date application submitted _____

CACTUS ID (preferred) _____or SSN _____

District_____ School _____

Major _____ Minor _____

Home Address _____

Home Phone _____ Work Phone _____ Email _____

The Mathematics Enhanced Level 2 Endorsement may ONLY be earned by educators who already have a Level 2 Mathematics Endorsement.

There are two ways to earn the Mathematics Enhanced Level 2 Endorsement

1. A combination of professional development and University or college coursework with grades C or better in all required courses as defined on the checklist.
2. Demonstrated competency through National Board Certification.

Instructions for Completing the Application

1. For university courses, attach official transcripts (internet transcripts are not acceptable), with the courses highlighted
2. Make sure all professional development courses have been recorded in OnTrack.
3. Print the Mathematics Endorsement Checklist and check completed coursework.
4. Send the highlighted transcript and completed checklist with a $45 processing fee to:
