

Assessment Update #4
8/15//2009

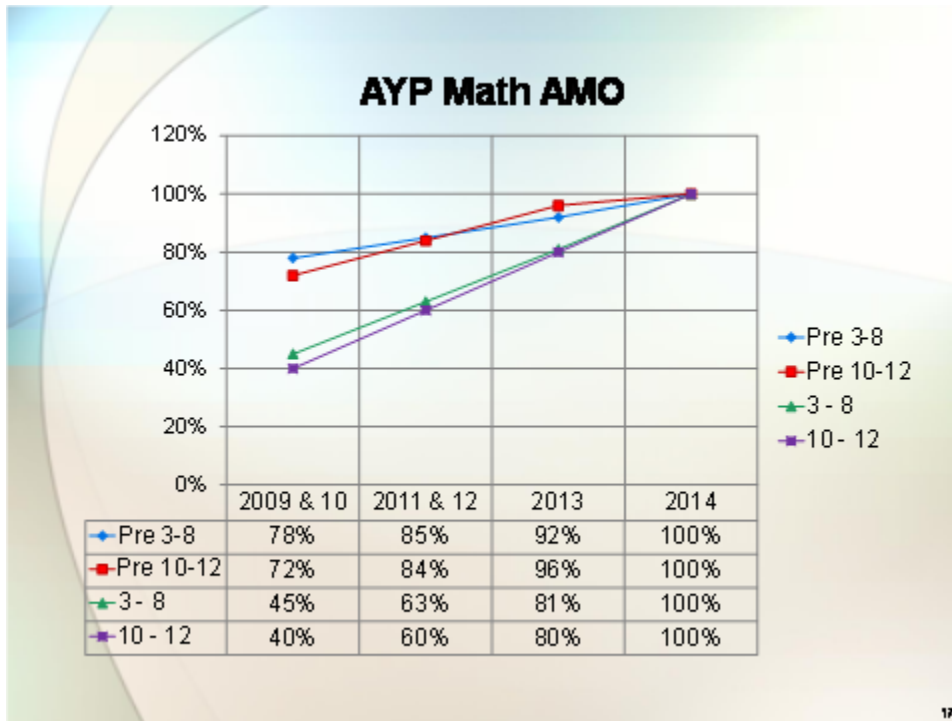

Dear Assessment Directors,

Just a few updates, please contact me if you have any questions.

1. AYP/UPASS Update

Thanks to a tremendous effort by Jerry Winkler and his staff we now expect to release AYP reports and the SERF disc by Wednesday August 19. They will be put on the Move It site. I have attached to this email a powerpoint which explains the changes to AYP and UPASS.

2. Listed below is the new AMO math trajectory for AYP.

3. There will be two meetings held (same meeting repeated) to explain how to read and interpret your AYP/UPASS reports, the details are listed below. We are in the process of arranging hands-on SERF training in conjunction with these meetings. Please look for information on Monday.
