

CTE Skill Certificate Test Performance Documentation

This document must be submitted to the test coordinator at the end of testing each trimester/semester.

Instructor's Name: _____ Course: Natural Resource Science I

School: _____ Test Number: 170

Students in course: _____ Date: _____

Students tested: _____

Students who passed performance objectives at or above 80%: _____

This is to *verify* that the students marked **YES** on performance accomplished the following performance objectives at or above the 80% (moderately to highly skilled) level.

1. Attend an FFA meeting.
2. Participate in a SAE as part of an integral system approach to Agricultural Education.
3. Participate in a conflict management activity.
4. Identify and classify common Utah flora and fauna.
5. Test and analyze water quality.
6. Demonstrate air-monitoring techniques.
7. Collect and interpret weather data.
8. Survey a site to determine potential land use.
9. Analyze a current, local Environmental Impact Statement (EIS) and determine the preferred alternative.
10. Observe a professional in natural resource management.

Each performance is documented and kept on file by the teacher for two years.

(Check the documentation method used)

- Class period summary score sheet
- Recorded and identified in the class grade book

Instructor's Signature: _____ Date: _____
