

CTE Skill Certificate Test Performance Documentation

This document must be submitted to the test coordinator at the end of testing each trimester/semester.

Instructor's Name: _____ Course: Introduction to Automotive
School: _____ Test Number: 505
Students in course: _____ Date: _____
Students tested: _____
Students who passed performance objectives at or above 80%: _____

This is to *verify* that the students marked **YES** on performance accomplished the following performance objectives at or above the 80% (moderately to highly skilled) level.

Required

1. Understand general shop safety.
2. Understand basic hand tools, fasteners, and shop equipment.
3. Understand proper techniques in removal and installation of tires and wheels.
4. Identify and perform basic services on a vehicle.
5. Understand the importance of employability and work habits.
6. Solve basic mathematical equations related to automotive.

Optional

7. Identify basic emission components.
8. Identify and properly perform a vehicle inspection.
9. Understand the need for professional development.
10. Understand the need for leadership skills.
11. Understand the need for career planning.
12. Understand the importance of employability and work habits.

Each performance is documented and kept on file by the teacher for two years.
