

CTE Skill Certificate Test Performance Documentation

This document must be submitted to the test coordinator at the end of testing each trimester/semester.

Instructor's Name: _____ Course: Basic Electronics
School: _____ Test Number: 550
Students in course: _____ Date: _____
Students tested: _____
Students who passed performance objectives at or above 80%: _____

This is to *verify* that the students marked **YES** on performance accomplished the following performance objectives at or above the 80% (moderately to highly skilled) level.

1. Understand and demonstrate safe practices.
2. Understand and demonstrate the use of shop tools, materials, and techniques.
3. Understand and demonstrate the use of test equipment.
4. Understand and demonstrate how to test and select passive electronics components.
5. Understand and demonstrate capacitors & their application.
6. Troubleshoot transformer circuits.
7. Understand and demonstrate basic electronic theory.

Each performance is documented and kept on file by the teacher for two years.
(Check the documentation method used)

- Class period summary score sheet
- Recorded and identified in the class grade book

Instructor's Signature: _____ Date: _____
