

CTE Skill Certificate Test Performance Documentation

This document must be submitted to the test coordinator at the end of testing each trimester/semester.

Instructor's Name: _____ Course: Architectural Design II
School: _____ Test Number: 544
Students in course: _____ Date: _____
Students tested: _____
Students who passed performance objectives at or above 80%: _____

This is to *verify* that the students marked **YES** on performance accomplished the following performance objectives at or above the 80% (moderately to highly skilled) level.

1. Understand room and space planning.
2. Understand plot plans and foundation systems.
3. Understand Construction Systems as they relate to a residence.
4. Understand how to create presentation drawings.
5. Understanding of Design Technology as a profession and will develop professional skills for the workplace.

Each performance is documented and kept on file by the teacher for two years.
(Check the documentation method used)
