

CTE Skill Certificate Test Performance Documentation

This document must be submitted to the test coordinator at the end of testing each trimester/semester.

Instructor's Name: _____ Course: **Basic Film Photography**

School: _____ Test Number: **535**

Students in course: _____ Date: _____

Students tested: _____

Students who passed performance objectives at or above 80%: _____

This is to *verify* that the students marked **YES** on performance accomplished the following performance objectives at or above the 80% (moderately to highly skilled) level.

1. Understand commercial photography orientation and job standards.
2. Understand and demonstrate safe practices.
3. Understand and perform camera operations.
4. Understand and demonstrate techniques in photographing subjects.
5. Understand and develop black and white film.
6. Set up equipment and determine exposure times for black and white photographic printing.
7. Identify and demonstrate the chemical processing procedures for developing black and white photographic paper.
8. Finish prints.
9. Understand and demonstrate "Legal Use" related to copyright laws and legal issues related to photography.

Each performance is documented and kept on file by the teacher for two years.
(Check the documentation method used)

- Class period summary score sheet
- Recorded and identified in the class grade book

Instructor's Signature: _____ Date: _____
