

CTE Skill Certificate Test Performance Documentation

This document must be submitted to the test coordinator at the end of testing each trimester/semester.

Instructor's Name: _____ Course: Basic Digital Photography
School: _____ Test Number: 537
Students in course: _____ Date: _____
Students tested: _____
Students who passed performance objectives at or above 80%: _____

This is to *verify* that the students marked **YES** on performance accomplished the following performance objectives at or above the 80% (moderately to highly skilled) level.

1. Demonstrate digital camera set-up, image capture and transferring files to a computer (workflow).
2. Evaluate image quality and determine if a file is suitable for further editing.
3. Demonstrate the use of software by editing images appropriately.
4. Determine the appropriate file size and type for a specific end use.
5. Demonstrate an understanding of basic mode settings (macro, sports, landscape, and portrait).
6. Identify the necessary equipment used to download images.
7. Demonstrate effective camera operation including the use of basic accessories (tripod, external flash, cable release, etc.).
8. Demonstrate an understanding of basic principles of composition including simplicity, the rule of thirds, point of view and leading lines.
9. Produce a digital print for exhibition.

Each performance is documented and kept on file by the teacher for two years.
(Check the documentation method used)

- Class period summary score sheet
- Recorded and identified in the class grade book

Instructor's Signature: _____ Date: _____
