

Equipment Approved for Purchase by Child Nutrition Programs

Capital assets (equipment)* typically purchased by SFA's for use in the CNPs

*"Equipment" means an article of nonexpendable, tangible personal property having a useful life of more than one year and an acquisition cost which equals or exceeds the **lesser** of the capitalization level established by the SFA for financial statement purposes, or \$5000. Notify the State agency if any equipment cost is **over** \$25,000 prior to purchase.

If desired equipment is not listed contact USOE-CNP for further information at 801-538-7680 (main line).

**Must specify if CNP use only or properly allocate the cost among all programs using the equipment.
