

Reporting
Grades 3 -5 :
Rotation Model

Grades 3 to 5

Self Contained: Current Model

- ▶ One course/core code per student
- ▶ Teacher(s) is on all assessments
- ▶ HQ would be calculated off 1st teacher on course

Rotation Model

- ▶ 5 courses/corecodes per student: Language Arts, Math, Social Studies and Science (regardless of how many rotations)
- ▶ Teacher of course will be on assessment
- ▶ HQ would be calculated on all 5 teachers

Core Codes

- ▶ **School Year 2014-15**
- ▶ New Course Codes can be found <http://schools.utah.gov/CURR/main/Course-Codes-and-Approval.aspx>
- ▶ Dual Language (courses) can follow the same model
 - ▶ Dual language courses must list the English language first for HQ.

New Rules

- ▶ If the school uses the rotation model, any student not enrolled in all 5 courses must be marked part time
- ▶ If students are part time, they should be enrolled under the multi class model
- ▶ Part time students can now have 2 schools of record in the same LEA but membership must not be greater than 180 days.
- ▶ Schools can use both models

Class Size

- ▶ Class size reports will be based on the single course and the homeroom course (88 in position 5 and 6 in the core code)
- ▶ The homeroom course is for students only. Teacher assignments will show courses: language arts, math, social studies and science or self contained course.
