Academic Progress Application

Academic Progress / Course History

Course History is where users can view, add or edit course information for student graduation credits, marks, and transcripts.

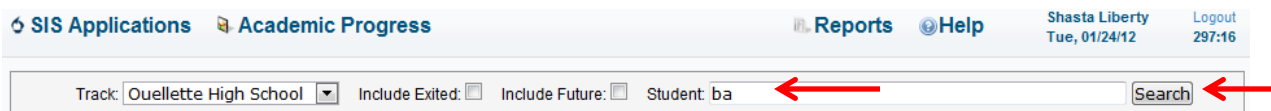

Track: School

Include Exited – Select **Include Exited** if the student you need to add information for has exited your school.

Include Future – Select **Include Future** if the student you need to add information for is a future student.

Student Search

Type in full student name or part of a student name will work in Searching for a student.

A Student who is a senior will have a lot of academic history:

Student credit and mark information can span across multiple years: Grade 9 – Grade 12.

Final All - Posts and Finalizes student marks. If it is **checked**, this signifies the marks have been posted and finalized by the teacher in the grade book. To remove the marks to not be finalized or posted - uncheck and Save will removed the posting and finalizing of the student marks for that class. Teachers can then go back to the grade book and edit the scores and post marks again.
