

Getting to Know You

Instead of the typical getting to know you activity, you will prepare a PowerPoint presentation using the following information as a guide line. You must have at least 10 slides. The * information must be included.

- Home page-personal information *
- Family and pets *
- Resume of past experiences *
- Education – what are your goals after high school graduation *
- Career goals – where do you see yourself in 5 years, 10 years
- Personal goals – short term and long term
- Most memorable moment
- Favorite food(s)
- How would your friends describe you
- My hero is ...
- If money were no limit I would ...
- The achievement you are most proud of ...
- Hobbies
- Are you employed?
- Favorite or dream vacation

If you do not have access or do not know how to do a power point you may do this project in paper form include one sheet of paper for each slide.

This is your chance to help me and the class get to know you. Be creative!
