

ABOUT CTE

Career and Technical Education

Welcome to UtahCTE.org! Throughout our site you will find information that will help guide you as you make key career decisions while in high school that will be essential to connecting you to college and career.

> Why CTE?

CTE provides you with the technical skills and academic knowledge you will need to prepare for life after high school. Study. Plan. Prepare.

> What is a CTE Pathway?

A CTE Pathway is a sequence of courses within a student's area of interest. A Pathway connects from high school to college for a certificate a degree and/or career.

> Where is CTE offered?

CTE programs are available in high schools and colleges across Utah.

> FAQs

Frequently asked questions about CTE programs.

> Supporting Programs

Four CTE Supporting Programs help high school students to strength the ties between school and work by enhancing Career Pathway exploration and training.

> Contact Us

For questions about CTE Pathways, contact us by phone or email.
