

# High School to College and Career Pathway: Secondary

Career and Technical Education: Preparing Students for College and Career!

## Area of Study: Marketing Education

### Pathway: Marketing Entrepreneurship

#### Get the Facts

In 2008, there were 58,412 small businesses in Utah. (A small business is one with fewer than 500 employees.)

In June 2010, the U. S. Chamber of Commerce ranked Utah as one of the top ten states in support for entrepreneurship.

In November 2011, Forbes magazine ranked Utah the number one state for business.

#### Workforce Trends

To be an entrepreneur you don't need to be a certain age. A lot of teens are successful entrepreneurs. The U.S. Small Business Administration has a Teen Business link to help teens start, grow, and own a business:

\* Talk to your school counselor about math requirements in the new common core curriculum. Core curriculum and elective requirements may vary district to district.

Concurrent enrollment course offerings vary by school and district. Many Utah postsecondary programs accept high school courses toward a two- or four-year degree through concurrent enrollment. Check regional postsecondary Pathways for details.
