PATHWAYS

Family and Consumer Sciences Education empowers individuals and families throughout their lives to manage the challenges of living and working in a diverse, global society. These challenges include balancing personal, home, family, and work lives; acquiring marketable skills to be successful in life management, employment, and career development; promoting optimal nutrition and wellness; and managing resources to meet the material needs of individuals and families. Check out the eight CTE Pathways in Family and Consumer Sciences Education.

- > Child Development
- > Consumer Economics Services
- > Family and Human Services
- > Fashion Design, Manufacturing and Merchandising

- > Food Science, Dietetics and Nutrition
- > Food Services and Culinary Arts
- > Hospitality Services
- > Interior Design
