High School to College and Career*

PATHWAYS

Nationally, engineering is the second largest of all professions. In Utah, it is one of the fastest growing industries, having a projected growth rate of 4.7 percent through the year 2014. Due to the expansion of jobs in the technical fields and the increasing numbers of engineers who are retiring, the number of job openings in technology and engineering continues to increase. Check out the two Pathways in Technology and Engineering Education.

> Pre-Engineering
(Utah Pre-Engineering Program)

> Project Lead the Way
(National Pre-Engineering Program)
