48.0701	Woodworking	.50																																				
32.0199	Student Internship (Critical Workplace Skills)	.50																																				
<p>Workforce Trends</p> <p>Industrial growth and increasingly complex designs will spur growth in drafting services. As technology advances, opportunities will be best for drafters with at least 2 years of post-secondary training, and computer-aided design systems experience.</p> <p>Get the Facts</p> <p>In today's technologically advanced business world, drafters must have excellent drawing and graphic skills along with a high level of computer skills.</p>		<p>Core Curriculum and elective requirements may vary district to district. Check with your school counselor.</p> <p>Concurrent enrollment course offerings vary by school and district.</p> <p>In Utah, an architect and a landscape architect must be licensed.</p>		<p>Many Utah post-secondary programs accept high school courses toward a two- or four-year degree through concurrent enrollment. Check regional post-secondary Pathways for details.</p>																																		

Note: For more information, talk to your school counselor.
