

Connecting High School to College and Career

Career and Technical Education (CTE) provides critical learning and hands-on skills through Career Pathways within eight Areas of Study. Students who focus on a Pathway acquire the skills necessary for entry into well-paid careers with high potential for rapid financial growth, increased levels of responsibility, and a high degree of personal satisfaction.

CTE Pathways:

- Will jump-start your future career.
- Will give you unlimited opportunities.
- Will help you plan for life after high school—before graduation.
- Will save you time and money.

What is a Pathway?

- A Pathway is a sequence of courses within your area of interest.
- A Pathway will connect your career interests from high school to college and/or career.
- A Pathway will help you acquire the depth of knowledge and skill linked with specific postsecondary programs that will lead to a certificate or degree and/or career.

CTE: Keeping it REAL

- Classroom instruction connects to the REAL world of work and future career opportunities.
- Statistics indicate that CTE graduates are worth higher wages because they are more productive than other workers.

Did you know?

Ninety percent of jobs require training beyond high school.

Top 5 reasons to participate in CTE Career Pathways:

1. To acquire technical skills training.
2. To participate in hands-on learning.
3. To jump-start your future career.
4. To earn college credit while in high school through concurrent enrollment classes.
5. To save time and money!

Ask yourself:

- What do I want to be doing in 5 years?
- What do I want to be doing in 10 years?

Ask yourself:

- What classes should I take to get ready for life after high school—college and career?
- What does it cost to go to college?

Ask yourself:

- Why should I take this class?
- Why should I plan?
- Why should I study?
- Why should I graduate from high school?

Ask yourself:

- How can Pathways help me?
- How do I find the options that are right for me?
- How do I find a satisfying career?

Acquiring critical learning and hands-on skills through education and training will open doors of opportunity for obtaining employment within your area of interest. Stay in school and finish your education. Your future depends on it.

Pathway: Protective Services – Firefighting

Get the Facts

There are over 1 million firefighters in the United States. In Utah, approximately 85 percent of firefighters are volunteers and approximately 14 percent are career firefighters.

In 2009, there were approximately 9,700 female firefighters nationwide.

Workforce Trends

In Utah, employment of firefighters is projected to grow 3.4 percent through the year 2018. Those who have completed some firefighter education at a community college and have an EMT certification will have an additional advantage.

CAREER AND TECHNICAL EDUCATION

Recommended Pathway Courses

(Students may select individual courses for exploration, or a complete Pathway for an in-depth focus.)

CLASS AVAILABILITY MAY VARY AT YOUR HIGH SCHOOL

Course #	Foundation Courses: (required)	Credit
43.0203	Fire Science	.50
51.0810	EMS, Introduction	.50
	Elective Courses:	
15.0507	Environmental Science	.50
21.0105	Physics with Technology	1.00
32.0199	Student Internship (Critical Workplace Skills)	.50

1.00 credit

1.00 credit

2.00 credits for completion

Firefighting is:

- > High skill
- > High demand
- > Nontraditional for females

Sample Career Occupations

- > Battalion Chief
- > Fire Chief's Aide
- > Firefighter Supervisor
- > Firefighting Teacher
- > Fire Inspector
- > Fire Marshall
- > Forest Firefighter

This is a nontraditional occupation for women. In 2007, 5.3 percent of the people employed in this occupation were women.
