# Humane Society Animal Presentations

---

The Humane Society of Utah employs a full-time education director whose services are in constant demand throughout the Wasatch Front as well as in areas beyond. Colorful, informative and thought-provoking programs are offered for grades preschool through senior high, covering topics from basic pet care to complex ethical and moral issues.

Real animals are often taken along on these presentations to give students firsthand knowledge of the special needs and characteristics of domestic pets

Contact your Work-Based Learning Specialist for more information

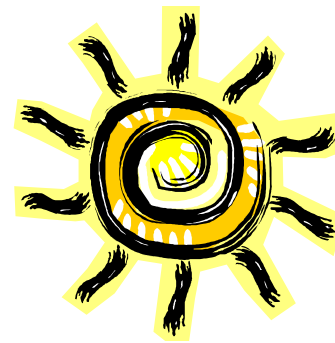

# Weather Service

**GUEST  
SPEAKER**

**A National Weather Service Meteorologist will come to your class to teach your students about weather!**
