

High School to College and Career Pathway: Secondary Career and Technical Education

Area of Study: Family and Consumer Sciences Education

Pathway: Family and Human Services

Get the Facts

Studies have shown that a harmonious marriage relationship promotes competence and maturity in the couple's children. Other studies have demonstrated that marital conflict may result in cognitive delay, school difficulties, and antisocial or withdrawn behavior.

Workforce Trends

According to the U.S. Department of Labor, family and community service employees hold about 2.2 million jobs. Some of the fastest growing occupations in the nation are concentrated in the social services, especially those that involve working with the elderly.

CAREER AND TECHNICAL EDUCATION Recommended Pathway Courses

(Students may select individual courses for exploration, or a complete Pathway for an in-depth focus.)

> * Talk to your school counselor about math requirements in the core curriculum. Core curriculum and elective requirements may vary district to district.
 > Many CTE courses may qualify for concurrent enrollment credit, which in some cases may earn up to 1.0 credit toward Pathway completion. Talk to your school counselor about availability.

> Concurrent enrollment course offerings vary by school and district.
 > Many Utah postsecondary programs accept high school courses toward a two- or four-year degree through concurrent enrollment. Check regional postsecondary Pathways for details.
