(b) not be enrolled in a YIC program with a YIC time code other than ISI-1 or ISI-2;

(c) not have unexcused absences on all of the prior ten consecutive school days;

(d) be a resident of Utah as defined under Sections 53A-2-201 through 213;

(A) injury, illness, surgery, suspension, pregnancy, pending court investigation or action; or

(B) an LEA determination that home instruction is necessary.

(iii) be enrolled in an approved CTE course(s) on the campus of another state funded institution where such a course is:

(A) not offered at the student's school of membership;

(B) being used to meet Board-approved CTE graduation requirements under R277-700-6C(7); and

LEAs shall be notified within 30 days of the application deadline if courses have been approved.

(2) Students may generate MSP funding by participation in an LEA-sponsored or LEA-supported virtual education program other than the Utah Electronic High School that is consistent with the student's SEOP, has been approved by the student's counselor, and includes regular face-to-face instruction or facilitation by a designated employee of the LEA.

#### B. Reporting

(1) LEAs shall report aggregate membership for each student via the School Membership field in the S1 record and special education membership in the SCRAM Membership field in the S2 record and YIC membership in the S3 record of the Year End upload of the Data Clearinghouse file.

(2) In the Data Clearinghouse, aggregate membership shall be expressed in days.

#### C. Calculations

(1) If a student was enrolled for only part of the school day

or only part of the school year, the student's membership shall be prorated according to the number of hours, periods or credits for which the student actually was enrolled in relation to the number of hours, periods or credits for which a full-time student normally would have been enrolled. For example:

(a) If the student was enrolled for 4 periods each day in a 7 period school day for all 180 school days, the student's aggregate membership would be  $\frac{4}{7}$  of 180 days or 103 days.

(b) If the student was enrolled for 7 periods each day in a 7 period school day for 103 school days, the student's membership would also be 103 days.

(2) For students in grades 2 through 12, days in membership shall be calculated by the LEA using a method equivalent to the following: total clock hours of instruction for which the student was enrolled during the school year divided by 990 hours and then multiplied by 180 days and finally rounded up to the nearest whole day. For example, if a student was enrolled for only 900 hours during the school year, the student's aggregate membership would be  $(\frac{900}{990}) * 180$ , and the LEA would report 164 days.

(3) For students in grade 1, the first term of the formula shall be adjusted to use 810 hours as the denominator.

(4) For students in kindergarten, the first term of the formula shall be adjusted to use 450 hours as the denominator.

#### D. Constraints

(1) The sum of regular plus self-contained special education and self-contained YIC membership days may not exceed 180 days;

(2) The sum of regular and resource special education membership days may not exceed 360 days;

(3) The sum of regular, ISI-1 and ISI-2 YIC membership days may not exceed 360 days.

#### E. Exceptions

LEAs may also count a student in membership for the equivalent in hours of up to:

(1) one period each school day, if the student has been:

(a) released by school upon parent's request during the school day for religious instruction or individual learning activity consistent with the student's SEOP; or

(b) exempted from school attendance under 53A-11-102 for home schooling and participates in one or more extracurricular activities under R277-438;

(2) two periods each school day per student for time spent in bus travel during the regular school day to and from another state-funded institution, if the student is enrolled in CTE instruction consistent with the student's SEOP.

(3) all periods each school day, if the student is enrolled in:

(a) a concurrent enrollment program that satisfies all the criteria of R277-713;

(b) a private school without religious affiliation under a contract initiated by an LEA which directs that the instruction be paid by public funds. Contracts shall be approved by the LEA board in an open meeting.

(d) Electronic High School courses for credit which meet

curriculum requirements, consistent with the student's SEOP and following written school counselor approval.

(e) a school operated by an LEA under a Utah Schools for the Deaf and the Blind IEP:

(i) students may only be counted in (S1) membership and shall not have an S2 record;

(ii) the S2 record for these students shall only be submitted by the Utah Schools for the Deaf and the Blind.

The time an excepted student is required to attend school shall be established by the student's IEP or SEOP.

B. Emergency/activity/weather-related exigency time shall be

planned for in an LEA's annual calendaring. If school is closed for any reason, the instructional time missed shall be made up under the emergency/activity time as part of the minimum required time to qualify for full MSP funding.

It is the LEAs' responsibility to verify the accuracy and validity of student enrollment records, prior to enrolling students in an LEA, and provide students and their parents with notification of enrollment in a public school. An LEA is the only entity authorized by the Board to collect and store public school enrollment verification records including:

(2) verification of immunization or exemption form;

M. An LEA that contracts with a third party vendor to provide curricular and instructional services to students for

nontraditional programs shall monitor and supervise the vendor throughout the administration of the services and ensure compliance, at a minimum, with the following:
