## MANIFESTATION DETERMINATION

Student \_\_\_\_\_ School \_\_\_\_\_ Date \_\_\_\_\_

**Briefly describe the behavior/incident under consideration.**

**In making the determination, the IEP team determined if the conduct was caused by, or had a direct and substantial relationship to the student's disability. In reaching a conclusion the team considered the factors listed below:**

**List either yes or no and the basis for the decision for each question listed below:**

1. Was the behavior(s) a reason for the student being initially referred for special education services?	
2. Does psychoeducational testing and information (if any) received from the parent indicate this type of behavior?	
3. Is the student's current IEP and placement appropriate?	
4. Has the student's program (IEP, Behavior Intervention Plan) been consistently implemented?	
5. Does the student's IEP contain goals, objectives or interventions which address this type of behavior?	
6. Has there been an observed pattern of this type of behavior in the past with the student?	
7. Is there a record of behavior incidents subject to discipline?	
8. Did the typical behavioral characteristics associated with the student's disability contribute to the initiation and/or continuation of the behavior?	
9. Was the behavior affected by psycho-social events unrelated to the disability (e.g. death, illness, family conflict)?

**The relevant IEP team members listed below are knowledgeable about the student and the student's disability and have made the determination regarding the relationship between the student's disability and the incident described below.**

**Determination**

- The conduct leading to removal **WAS** caused by or had a direct and substantial relationship to the student's disability, or was a direct result of the LEA's failure to implement the IEP.
  
- The conduct leading to removal **WAS NOT** caused by or had a direct and substantial relationship to the student's disability, or was a direct result of the LEA's failure to implement the IEP.
