

## Data Transmission System (DTS)

**DATE:** October 21, 2009

**STATUS:** ORIGINAL SUBMISSION

### **Part B, personnel data are due November 1, 2009**

**Please read** the following basic guidelines before completing the Data Transmission System (DTS) forms:

1. To change the size and appearance of the text on the spreadsheet, select VIEW from the toolbar, select ZOOM, and then select the percentage increase or decrease.
2. Enter the appropriate data into the YELLOW shaded areas on each page of the form. Please be sure to read section heading descriptions so data are entered in the correct section. Also, be sure to enter any State and date information. The two-digit State postal code should appear on every page of the form. A list is available on PAGE1. Use the scroll bar or the up or down arrow keys to scroll through the list. Click on the appropriate State postal code to select it.
3. If you choose to cut and paste data from another area, use the PASTE SPECIAL option and select VALUES. This will protect the current formats.
4. Any comments regarding the submitted data should be entered on the last page of the workbook, titled COMMENTS.
5. Save the completed forms. Please be sure that your State postal code appears in the file name. (Example: Maryland - PERS08MD.XLS)
6. Each cell in the attached spreadsheet contains a "-9" value by default. If you do not enter a count in each cell it will be determined that the State did not collect the requested data element. In such cases, the State must provide an explanation in the comments section for the missing data. Note that if the submission is missing a required data element, it will not be entered into DANS and the State will be required to resubmit.
7. RED cells indicate computational errors. **Please make sure there are NO RED CELLS before saving and submitting data.**
8. Please return electronic copies of completed DTS forms to Westat: IDEADData\_PartB@WESTAT.COM

If you have any questions or comments, please contact Carol Bruce (Carolbruce@westat.com).
