#### **Qualifying Score and Score Status:**

The Qualifying Score for tests with a Score Status of "Prelim" have not yet been finalized. Candidates must meet the current qualifying score at the time they receive the License Area or Endorsement. Score Statuses marked as "Review" will have their final passing score set during the fall of 2013. The new score will be required as of January 1, 2014. The final score may or may not change from the score listed here. Please refer to the Utah Praxis page on the ETS website (<a href="https://www.ets.org/praxis/ut">www.ets.org/praxis/ut</a>) for current passing scores on these tests.

#### **Computer-delivered tests:**

Computer-delivered versions of all tests are acceptable. The computer-delivered versions for each test, where available, replace the first digit of the test code with a 5. For example, the paper-and-pencil version of the Biology: Content Knowledge test is test code 0235 and the computer-delivered version of the same test is test code 5235. The only exception to this rule is the School Leaders Licensure Assessment (see chart for appropriate codes) used for an Administrative/Supervisory license area.

#### **Previously Approved Tests:**

Educators that took previously approved tests during the time period in which Utah approved the use of that particular test and that met the Utah passing score may be approved for Utah licensure. For example, for elementary licensure Utah currently requires licensure candidates to take and pass the 5031 Elementary Multiple Subjects test. However, an educator that took and passed the 0014 Elementary: Content Knowledge test prior to September 1, 2012 is considered to have met the testing requirement for Utah licensure. An educator that took and passed the 0014 after September 1, 2012 has **not** met the testing requirement. For a list of historically approved tests, please see the end of this document.

### **Special Education Licensure**

Special Education candidates have a variety of testing options due to the variety of ways in which a Special Education teacher can be utilized. Candidates in Special Education are strongly advised to consult with their university advisor or their LEA's Special Education director if they are employed, before taking any of the tests listed here. An individual who has met **ANY** of these testing requirements and received their Utah Special Education license area are considered ESEA Highly Qualified in a consultation and/or collaboration role. Certain tests, as detailed below, provide additional ESEA Highly Qualified designations for the educator.

#### Diagnostic/Non-HQ tests – Alternative Routes to Licensure

Alternative Routes to Licensure (ARL) candidates typically take the same PRAXIS tests as all other licensure candidates and should use the other sections of this document to find the appropriate test. However, in RARE circumstances, ARL candidates may need to take one of the following tests in order to fulfill licensing requirements. No Utah licensing candidate should take any of these tests unless they are specifically directed to do so by the Utah State Office of Education ARL Specialist. Please contact the USOE ARL Specialist prior to registering for any of these tests.
