- Demonstration and Training of devices such as
  - Magnifiers
  - CCTV systems
  - Telescopes
  - Technology (Electronic devices and I Pads)

USDB has an in house optometrist, Dr. Michael M. Judkins, as a Low Vision Specialist. He will provide low vision evaluations and recommendations for students throughout the State of Utah. Darren Lindsey is contracted through DSBVI and is a certified Low Vision Rehabilitation Specialist. Brenda Pierce will assist Mr. Lindsay and is working toward certification.

**Please distribute this information to your teachers and encourage them to make a referral to USDB for any students with reduced vision.**
