

## The Robbery

Steve and Don were upset for a good reason. The Scouts	11
had arranged to give five young boys from the children's home	22
a vacation at the lake. The Scouts had just finished raising the	34
amount of money needed. Now, on account of the robbery,	44
the young boys wouldn't get a vacation after all.	53
Suddenly a black and white dog came around the corner	63
of the house. He ran up to Steve and sniffed the cookies.	75
"No, Sport! Not for you," said Steve.	82
Then the big dog grabbed the ball and dashed toward the	93
gate.	94
"Come back with that ball!" shouted Steve as he jumped	104
up and raced after the dog.	110
