

## Ah Jim's Surprise

Ah Jim looked inside the shop. He saw the	9
shopkeeper and his wife laughing.	14
“Come in, come in,” the shopkeeper called. “My	22
wife and I have thought of a very good thing.”	32
Ah Jim went inside.	36
“Tomorrow the mother dog goes back to China	44
with our brother,” the shopkeeper said. “Our brother	52
will leave one puppy here.” He reached inside a small	62
basket.	63
There in the shopkeeper's hand was the smallest	71
puppy Ah Jim had ever seen. The man handed it to him	83
carefully.	84
“Now,” said the shopkeeper. “Take this puppy.	91
Then the children will not come to our window. They	101
will not put their noses and hands against our clean	111
glass. I will not have to shine it, for the dogs will be	124
gone.”	125
