

## Rosina

The time of day that Rosina liked best was half	10
past three in the morning. That was the time when all	21
the shouting started in her family.	27
“Up!” called Mama. “Everybody up. Breakfast	33
will be ready before you are dressed.”	40
“Hit the deck,” said Luigi.	45
“Rise and shine,” said Carlo. “Rise and shine.”	53
“Up!” shouted Papa. “We have work to do.”	61
“And may you have good luck and a good catch	71
today,” said Mama.	74
As long as Rosina could remember, she had	82
wanted to go with her father and brothers on their	92
fishing boat. All through the winter they sailed from	101
San Francisco Bay in search of crabs.	108
