

Kay Bridges

Kay Bridges planned to be at school early this morning.	10
Her teacher, Mr. Banks, and some of the other girls and boys would be early, too.	22
Her class was getting ready to act out a school play. All of last week Kay had been reading her part in the play. This morning she was going to act out her part.	26
Each child would also have a chance to talk about the clothes to wear in the play.	38
Kay's mom and dad had already gone to work, so Kay ate breakfast by herself. Then she got ready for school and put on her heavy coat.	51
Taking a quick look at the clock, she went outside and carefully locked the front door behind her	60
