

Trouble in the Fog

Jimmy and his mother were in the dinning room	9
playing a game.	12
“Listen!” cried Jimmy. “Listen to that sound.	19
Does someone want help? Could it be Bill? Do you	29
suppose he and dad are in some kind of trouble?”	39
Mrs. May called the police. “Someone needs	46
help,” she said. “Could you send a man to see what’s	57
wrong?”	58
In a short time the police found Bill and Mr. May.	69
They had been in an accident. They helped Bill and	79
his dad out of the car and drove them home in the	91
police car.	93
The S.O.S call that Bill had tapped out on the horn	104
had brought help in time. Mr. May had been knocked	114
out for a while, but before long he was all right.	125
