

A Loud Concert

Sam is going to a concert today. He is excited.	10
His brother plays the guitar. Sam's family arrives	18
at the school.	21
The music starts. Sam's brother holds his	28
guitar. He plucks the strings. They vibrate and	36
make sound.	38
Sam's eardrums start to vibrate too. Then	45
Sam hears the piano. The music gets louder. A girl	55
plays the drums. The sound waves hit Sam's ears.	64
It's too loud.	67
Sam's ears start to hurt. His mom gives him a	77
pair of earplugs. Sam puts them in his ears. Ah!	87
Now the sound is not too loud.	94
