

NEW RIVER TRAIN	A couple dance incorporating traditional American dance steps and patterns
STEPS	Walk forward; walk backward; step kick; girl arch under the boys right arm changing sides (1) and partners (2)
FORMATION	Double circle with boys on the inside, girls on the outside, both facing (side-by-side) in a counter clockwise direction
POSITIONS	Begin with inside hands joined (boys right and girls left) Change to inside hands joined (boys left and girls right) Change to two-hand position facing partner
VARIATIONS	Once the basic dance has been learned, add a change of partner with the girl turning under the boy's right arm (the second time) moving forward to the next boy in the circle
MUSIC	Meter in 4 with four 8 beat phrases to complete once though
REPETITIONS	The dance repeats 10 times, girls progressing each time
