

The Turnip

There once lived an old man and an old woman.	10
They had a little white house with tall trees all around it.	20 22
At one side of the little white house there was a garden.	33 34
Soon the days were not too cold. The old man and the old woman went out to their garden.	45 53
They thought they would plant a turnip in it.	62
They wanted the turnip to get big and tall.	71
So every day they wished for rain.	78
But the rain did not come.	84
