

## Strange Things

Tom hopped back to the spot where he had laid his jacket. It had been moved! And beside it was the piece of paper that had been around the candy bar. Tom felt his skin tighten as he looked in every direction. Was something moving in the clump of bushes? No, he guessed not, but he didn't feel very brave now. He wished he had never come to Tiger Island.	11 23 35 44 56 68 70
The air was cooler now, and the boys wouldn't be coming for at least another hour. Tom reached for his jacket. When he picked it up, something slipped out of the pocket. It was a fish! Someone or something had taken the candy bar and left a fish in its place. Tom felt goose bumps all over his skin.	80 91 103 114 128 129
