

Teeny- Tiny

Once there was a teeny- tiny woman.	7
She lived in a teeny- tiny house in a teeny- tiny town.	18 19
One day the teeny- tiny woman wanted to go for a walk.	30 31
So she put on her hat and went out of her teeny- tiny house.	43 45
She thought she would take a walk to the other side of the town.	55 59
The teeny- tiny woman walked over to the other side of the town.	68 72
All at once she saw a teeny- tiny gate.	81
She pulled the teeny- tiny gate and walked into a garden.	91 92
She looked all around.	96
Then she saw a teeny- tiny bone.	103
“I can make something good to eat with this teeny- tiny bone”, she said.	112 117
So the teeny- tiny woman took the teeny- tiny bone.	126 127
