

RADIOLOGY

STUDENT INTERNSHIP SKILLS LIST

Provo School District

This list is designed to help you obtain considerable information during your internship period. The column on the left will designate various procedures used in Radiology. When you have observed a procedure, record the date and have your mentor nurse initial the square. There is a lot to see and learn. Be sure to ask your mentor to show you as much as they can.

SKILLS AND PROCEDURES	DATE	INITIAL	DATE	INITIAL	DATE	INITIAL
1. General x-ray of chest						
2. General x-ray of abdomen
