

Emergency Medical Technician Endorsement

Specifications, Competencies & Requirements

PURPOSE

This endorsement is meant for certified teachers interested in teaching **Emergency Medical Technician** courses. It is attached to the current Utah Educator License with a license area of concentration in **Secondary** or **Career and Technical Education (CTE)** Education.

Upon attachment of this endorsement to a Utah educator license, educators will be approved to teach the following USBE courses:

Emergency Medical Technician (EMT)
Medical Terminology
Health Science Intro
Health Science Capstone

ENDORSEMENT REQUIREMENTS

Prerequisite

Demonstrate an understanding of Career and Technical Education (CTE) basics.
CTE Knowledge

Endorsement Competency

Applicants must complete **ALL** the following competency requirements to hold the professional endorsement.
Current EMT Instructor Certification

Instructors and LEAs are required to follow the Utah Bureau of Emergency Medical Services rules regarding educator endorsement, instruction, and testing.

Prior to Teaching Sex Ed

A Utah law and policy course is required per Utah Code 53G-10-403 for all first-year health science educators prior to teaching sex education and must be renewed every three years. Visit the Health Education page for more details <https://schools.utah.gov/curr/health>.

COMPETENCY DETAILS & DESCRIPTIONS

Prerequisite

1. CTE Knowledge

Demonstrate an understanding of CTE basics:

- Describe how CTE is organized into clusters and pathways at the state, district (LEA), and school levels, and how this helps students succeed after graduation.
- Locate and use the state's strands and standards in lesson plans.
- Explore CTE student organizations (CTSOs) and professional groups and explain how they support students and teachers.
- Explain how advisory boards, with industry members, make sure programs meet job market needs and maintain safe learning environments.
- Understand the basics of securing funding, planning for the program's future, and participating in the state Program of Quality Review (PQR) to ensure program excellence.

Select ***one*** of the following options:

- **USBE Course:** [CTE Orientation](#)
 - **Complete THREE years of full-time CTE Teaching in Utah**
 - **Currently hold a professional-level CTE endorsement**
-

Endorsement Competencies

2. EMT Instructor Certification

The individual must possess a current and valid certification as an Emergency Medical Technician Instructor. This credential signifies that the individual has met the educational and clinical requirements established by their respective state or national board, demonstrating the knowledge, skills, and abilities to instruct students in emergency medical technician procedures safely and effectively.

To demonstrate completion of this competency, the applicant must submit documentation of certification.
