		<ul style="list-style-type: none"> > Crop Scout > Irrigation Specialist > Pesticide Handler/Applicator 	<ul style="list-style-type: none"> > Arborist > Landscape Technician > Turf Manager

Career and Technical Education provides all students access to high-quality, rigorous career-focused programs that result in attainment of credentials with labor market value. [Credentials of Value](#)

Utah CTE classes are open to all qualified students without regard to race, color, national origin, sex, disability, or age.

Advice to Students

“In high school you are given opportunities to take many different classes. These classes are built into a CTE Pathway. If you find a class you like I suggest you find out what other classes are in that pathway and work on completing a pathway. CTE Pathways are a great opportunity to find future career interests.”
