UCA 53G-7-503(3)

(a) Beginning with or after the 2022-2023 school year, if an LEA imposes a fee, the fee shall be equal to or less than the expense incurred by the LEA in providing for a student the activity, course, or program for which the LEA imposes the fee.

(b) An LEA may not impose an additional fee or increase a fee to supplant or subsidize another fee.
School Fees Funding Uses

Student fees begin with the student as the basis and fees are paid per student as an identifiable individual transaction. Therefore, the costs funded by school fees should also be limited to the individual student participation.
Throughout the school fees regulations in Utah Code Annotated (UCA) 53G-7 Part 5 and R277-407 school fees are designated as singular (i.e., “a student” and “an activity”).
