Utah State Board of Education (USBE)
21st Century Community Learning Center (CCLC) Grant Application 2020-2021
Background and Purpose of Grant Program

The 21st Century Community Learning Center Program (Title IV, Part B) provides funding to support the creation of community learning centers to provide youth with academic enrichment opportunities during out-of-school time hours, including before and after school, summer and weekends with a specific focus on students who attend high-poverty and low-performing schools.

The purpose of 21st CCLC program is to “provide opportunities for communities to establish or expand activities in community learning centers that provide opportunities for academic enrichment, including

- tutorial services to help students, particularly students who attend low-performing schools, to meet the challenging State academic standards;
- offer students a broad array of additional services, programs, and activities, such as youth development activities, service learning, nutrition and health education, drug and violence prevention programs, counseling programs, arts, music, physical fitness and wellness programs, technology education programs, financial literacy programs, environmental literacy programs, mathematics, science, career and technical programs, internship or apprenticeship programs, and other ties to an in-demand industry sector or occupation for high school students that are designed to reinforce and complement the regular academic program of participating students; and
- offer families of students served by community learning centers opportunities for active and meaningful engagement in their youth’s education, including opportunities for literacy and related educational development.”¹

21st CCLC funds can support a wide range of activities to advance student academic achievement and support student success. This includes:

- Remedial education and academic enrichment learning programs, including those which provide additional assistance to students to allow the students to improve their academic achievement;
- Mathematics and science education;
- Arts and music education;
- Entrepreneurial education programs;
- Tutoring services, including those provided by senior citizen volunteers, and mentoring programs;
- Programs that provide afterschool activities for English Learner (EL) students and that emphasize language skills and academic achievement;
- Recreational activities;
- Telecommunications and technology education programs;
- Expanded library service hours;
- Programs that promote parental involvement and family literacy;
- Programs that provide assistance to students who have been truant, suspended, or expelled to allow them to improve their academic achievement;
- Drug and violence prevention programs;
- Counseling programs; and
- Character education programs.

**Utah State Board of Education (USBE) 21st Century Community Learning
Center (CCLC) Grant Application 2020-2021 Private School Consultation
Information**

Private School Consultation

Students who attend private school in the area to be served by the proposed program(s) are eligible to participate. If any private schools are in the area to be served, the applicant is expected to consult with the private or charter school officials during the design and development of the program.

The consultation needs to include the following:

- Needs identification;
- Services to be offered;
- Service delivery;
- Program Assessment;
- Size and scope of service;
- How the amount of funds available for equitable services is determined if the private or charter school were to participate in the program;
