

The Santa Rosa

Rosina could hear noises on the wharf. As she hid	10
behind the overcoat on the boat. Fishermen were	18
calling to each other.	22
“Where’s Tony today?” shouted one man.	28
Rosina heard her uncle’s answer. “He has engine	36
trouble. He can’t go out today.”	42
Just then Papa and Uncle came aboard.	49
“Warm up the engine,” shouted Papa.	55
Rosina felt the deck of the <i>Santa Rosa</i> move under	65
her feet.	67
Her heart pounded when she heard Luigi and	76
Carlo come into the cabin. She didn’t dare move for	87
fear they would see her and tell Papa. Finally, after	97
what seemed like hours, her brothers left the cabin and	105
went up on the deck.	110
