The SCHOOL PLANT CAPITAL OUTLAY REPORT is provided in accordance with Utah Code 53A-20-103 - School Construction - School Plant Capital Outlay Report, which states "The State Board of Education shall prepare an annual school plant capital outlay report of all school districts, which includes information on the number and size of building projects completed and under construction."

REPORT DETAILS - DISTRICT/CHARTER SCHOOL is the school district or charter school in which the project is located. PROJECT NUMBER is the USOE Project Number assigned for the project by the USOE (Jenefer Youngfield - School Finance) after receipt of all of the "Pre-Construction Checklist" items. SCHOOL/LOCATION is the facility/location in which the project is located. PROJECT DESCRIPTION is a brief description of the project.

- NEW/ADDED SQUARE FOOTAGE indicates new buildings/facilities and/or existing buildings/facilities in which square footage is added to one or more of the existing buildings at the site, with each respective project listed. Project(s) with N/A noted are those without square footage added to the building(s).
- SQUARE FOOTAGE REMODELED indicates square footage for projects in which existing spaces are remodeled or renovated are reported separately, since this is not added space (Square Footage). Project(s) with N/A noted are those without square footage added to the building(s).
- PRELIMINARY COST ESTIMATE information is taken directly from the SP-4 Preliminary Information on Proposed School Facilities Construction forms - submitted for projects, as required by Utah Code 53A-20 School Construction and Administrative Rule R277-471 Oversight of School Inspections.
- *** PROJECTS INCLUDED IN THE SCHOOL PLANT CAPITAL OUTLAY REPORT includes those considered active during one or more months of the FY15 period.
- **** PROJECTS WITHOUT PRELIMINARY COST ESTIMATES information was not provided and USOE has been unable to obtain at the time of printing.
