107 Awards Distributed to Utah Elementary Schools from USDA Fresh Fruit and Vegetable Program

SALT LAKE CITY – More than 49,000 Utah elementary students from low-income schools throughout the state will again be participating in the United States Department of Agriculture (USDA) [Fresh Fruit and Vegetable Program](#). The Fresh Fruit and Vegetable Program provides all children in participating schools with a variety of free fresh fruits and vegetables outside of the lunch period.

The goals of the program are to:

- Create healthier school environments by providing nutritious snack choices,
- Expand the variety of fruits and vegetables children experience, and
- Increase children's fruit and vegetable consumption.

Funding for the program comes from the USDA Farm Bill. Utah's total funding for the program is 2.9 million dollars and is available through an application process each spring. Preference is given to schools with a high percentage of low-income households. Schools this year are implementing a variety of meal service options due to COVID, so some students will receive FFVP in their classrooms or on playgrounds, while others will have it sent home as part of a grab and go meal. All students will receive the fresh fruits and vegetables at least twice per week throughout the school year.

In accordance with Federal civil rights law and U.S. Department of Agriculture (USDA) civil rights regulations and policies, the USDA, its Agencies, offices, and employees, and institutions participating in or administering USDA programs are prohibited from discriminating based on race, color, national origin, sex, disability, age, or reprisal or retaliation for prior civil rights activity in any program or activity conducted or funded by USDA.

Persons with disabilities who require alternative means of communication for program information (e.g. Braille, large print, audiotape, American Sign Language, etc.), should contact

the Agency (State or local) where they applied for benefits. Individuals who are deaf, hard of hearing or have speech disabilities may contact USDA through the Federal Relay Service at (800) 877-8339. Additionally, program information may be made available in languages other than English.

To file a program complaint of discrimination, complete the USDA Program Discrimination Complaint Form, (AD-3027) found online at: http://www.ascr.usda.gov/complaint_filing_cust.html, and at any USDA office, or write a letter addressed to USDA and provide in the letter all of the information requested in the form.
