- 145 (d) this Rule R277-487.

146 (4) An LEA shall comply with Title 53[A]E, Chapter [4]9, Part [14]3, Student Data  
147 Protection Act.

148 (5) An LEA shall comply with Section 53[A-13-303]E-9-204.

149 (6) An LEA is responsible for the collection, maintenance, and transmission of  
150 student data.

151 (7) An LEA shall ensure that school enrollment verification data, student  
152 performance data, and personally identifiable student ~~[information]~~ data are collected,  
153 maintained, and transmitted:

154 (a) in a secure manner; and

155 (b) consistent with sound data collection and storage procedures, established by the  
156 LEA.

157 (8) An LEA may contract with a third party ~~[provider]~~ contractor to collect, maintain,  
158 and have access to school enrollment verification data or other student data if:

159 (a) the third party contractor meets the definition of a school official under 34 C.F.R.  
160 99.31[-](a)(1)(i)(B); and

161 (b) the contract between the LEA and the third party contractor includes ~~[a]~~ the  
162 provisions [that the data is the property of the student under Section 53A-1-1405; and]  
163 required by Subsection 53E-9-309(2).

164 ~~[(c) the LEA monitors and maintains control of the data.~~

165 ~~————(9) If an LEA contracts with a third party contractor to collect and have access to the~~  
166 ~~LEA's data as described in Subsection (6), the LEA shall notify a student and the student's~~  
167 ~~parent or guardian in writing that the student's data is collected and maintained by the third~~  
168 ~~party contractor.]~~

169 ~~[(10)]~~ (9) An LEA shall publicly post the LEA's definition of directory information, as  
170 defined in FERPA, and describe how a student data manager may share personally  
171 identifiable information that is directory information.

172 (10) An LEA shall provide the Superintendent with a copy or link to the LEA's  
173 directory information definition by October 1 annually.

174 (11) By ~~[July]~~ October 1 annually, an LEA shall enter all student data elements  
175 shared with third parties into the Board's metadata dictionary.

176 (12) An LEA shall report all ~~[unauthorized disclosures]~~ significant data breaches of  
177 student data either by the LEA or by third parties to the Superintendent within ten business

178 days of the initial discovery of the significant data breach.

179 (13) An LEA shall provide the Superintendent with a copy or link to the LEA's data  
180 governance plan by October 1 annually.

181 ~~[(14) An LEA shall provide the Superintendent with a copy or link to the LEA's~~  
182 ~~Information Technology Systems Security Plan by October 1 annually.]~~

183 (14) An LEA shall provide the Superintendent with the following information by  
184 October 1 annually:

185 (a) evidence that the LEA has ~~adopted~~ implemented a cyber security framework  
186 ~~[the CIS Controls or a comparable IT Security framework]; and~~

187 (b) the name and contacted information for the LEA's designated Information  
188 Security Officer.

189 ~~[(c) Evidence that the LEA has received an external IT security audit within the past~~  
190 ~~three years.]~~

191 (15) All public education employees, aides, and volunteers in public schools shall  
192 become familiar with federal, state, and local laws regarding the confidentiality of student  
193 performance data and personally identifiable student ~~[information]~~ data.

194 (16) All public education employees, aides, and volunteers shall maintain  
195 appropriate confidentiality pursuant to federal, state, local laws, and LEA policies created  
196 in accordance with this section, with regard to student performance data and personally  
197 identifiable student ~~[information]~~ data.

198 (17) An employee, aide, or volunteer may not share, disclose, or disseminate  
199 passwords for electronic maintenance of:

200 (a) student performance data; or

201 (b) personally identifiable student ~~[information]~~ data.

202 (18) A public education employee licensed under Section 53~~[A-6-104]~~E-6-201 may  
203 only access or use student information and records if the public education employee  
204 accesses the student information or records consistent with the educator's obligations  
205 under Rule R277-515.

206 (19) The Board may discipline a licensed educator in accordance with licensing  
207 discipline procedures if the educator violates this Rule R277-487.

208 (20) An LEA shall annually provide a training regarding the confidentiality of student  
209 data to any employee with access to education records as defined in FERPA.

210 ~~[(21) A school employee shall annually submit a certified statement to the LEA's~~  
211 ~~student data manager, which certifies that the school employee completed the LEA's~~  
212 ~~required student privacy training and understands student privacy requirements.]~~

213 **R277-487-4. Retention of Student Data.**

214 (1) An LEA shall classify all student data collected in accordance with Section 63G-  
215 2-604.

216 (2) An LEA shall retain and dispose of all student data in accordance with an  
217 approved retention schedule.

218 (3) If no existing retention schedule governs student disciplinary records collected  
219 by an LEA:

220 (a) An LEA may propose to the State Records Committee a retention schedule of  
221 up to one year if collection of the data is not required by federal or state law or Board rule;  
222 or

223 (b) An LEA may propose to the State Records Committee a retention schedule of  
224 up to three years if collection of the data is required by federal or state law or Board rule,  
225 unless a longer retention period is prescribed by federal or state law or Board rule.

226 (4) An LEA's retention schedules shall take into account the LEA's administrative  
227 need for the data.

228 (5) Unless the data requires permanent retention, an LEA's retention schedules  
229 shall require destruction or expungement of student data after the administrative need for  
230 the data has passed.

231 (6) A parent or adult student may request that an LEA amend, expunge, or destroy  
232 any record not subject to a retention schedule under Section 63G-2-604, and believed to  
233 be:

234 (a) inaccurate;

235 (b) misleading; or

236 (c) in violation of the privacy rights of the student.

237 (7) An LEA shall process a request under Subsection (6) following the same  
238 procedures outlined for a request to amend a student record in 34 CFR Part 99, Subpart  
239 C.

240 **R277-487-[4]5. Transparency.**

241 (1) The Superintendent shall recommend policies for Board approval and model  
242 policies for LEAs regarding student data systems.

243 (2) A policy prepared in accordance with Subsection (1) shall include provisions  
244 regarding:

245 (a) accessibility by parents, students, and the public to student performance data;

246 (b) authorized purposes, uses, and disclosures of data maintained by the  
247 Superintendent or an LEA;

248 (c) the rights of parents and students regarding their personally identifiable  
249 information under state and federal law;

250 (d) parent, student, and public access to information about student data privacy and  
251 the security safeguards that protect the data from unauthorized access and use; and

252 (e) contact information for parents and students to request student and public school  
253 information from an LEA consistent with the law.

254 **R277-487-[5]6. Responsibilities of Chief Privacy Officer.**

255 (1) The Chief Privacy Officer:

256 (a) may recommend legislation, as approved by the Board, for additional data  
257 security protections and the regulation of use of the data;

258 (b) shall supervise regular privacy and security compliance audits, following initiation  
259 by the Board;

260 (c) shall have responsibility for identification of threats to data ~~security~~ privacy  
261 protections;

262 (d) shall develop and recommend policies to the Board and model policies for LEAs  
263 for:

- 264 (i) protection of personally identifiable student ~~[information]~~ data;
- 265 (ii) consistent wiping or destruction of devices when devices are discarded by public
- 266 education entities; and
- 267 (iii) appropriate responses to suspected or known breaches of data security
- 268 protections;
- 269 (e) shall conduct training for Board staff and LEAs on student privacy; and
- 270 (f) shall develop and maintain a metadata dictionary as required by Section 53~~[A-1-~~
- 271 ~~1403]~~E-9-302.

272 **R277-487-~~[6]~~7. Prohibition of Public Education Data Use for Marketing.**

273 Data maintained by the state, a school district, school, or other public education

274 agency or institution in the state, including data provided by contractors, may not be sold

275 or used for marketing purposes, or targeted advertising as defined in Subsection 53~~[A-1-~~

276 ~~1402(26)]~~E-9-301(22) except with regard to authorized uses of directory information not

277 obtained through a contract with an educational agency or institution.

278 **R277-487-~~[7]~~8. Public Education Research Data.**

279 (1) The Superintendent may provide limited or extensive data sets for research and

280 analysis purposes to qualified researchers or organizations.

281 (2) The Superintendent shall use reasonable methods to qualify researchers or

282 organizations to receive data, such as evidence that a research proposal has been

283 approved by a federally recognized Institutional Review Board or "IRB."

284 (3) The Superintendent may post aggregate de-identified student assessment data

285 to the Board website.

286 (4) The Superintendent shall ensure that personally identifiable student ~~[information]~~

287 data is protected.

288 (5) The Superintendent:

289 (a) is not obligated to fill every request for data and shall establish procedures to

290 determine which requests will be filled or to assign priorities to multiple requests;

291 (b) may give higher priority to requests that will help improve instruction in Utah's

292 public schools; and

293 (c) may charge a fee to prepare data or to deliver data, particularly if the preparation  
294 requires original work.

295 (6) A researcher or organization shall provide a copy of the report or publication  
296 produced using Board data to the Superintendent at least 10 business days prior to the  
297 public release.

298 (7) Requests for personally identifiable student data that ~~[disclose student~~  
299 ~~information]~~ may only be provided in accordance with Section 53[A-1-1409]E-9-308 and  
300 FERPA, ~~[incorporated herein by reference,]~~ and may include:

321 ~~——(3) The Superintendent shall make data obtained from a survey developed in~~  
322 ~~accordance with Subsection (1) available only if the data is shared in such a manner as to~~  
323 ~~protect the privacy of students and educators in accordance with federal and state law.]~~

324 **R277-487-9. CACTUS Data.**

325 (1) The Board maintains information on all licensed Utah educators in CACTUS,  
326 including information classified as private, controlled, or protected under GRAMA.

327 (2) The Superintendent shall open a CACTUS file for a licensed Utah educator  
328 when the individual initiates a Board background check.

329 (3) Authorized Board staff may update CACTUS data as directed by the  
330 Superintendent.

331 (4) Authorized LEA staff may change demographic data and update data on  
332 educator assignments in CACTUS for the current school year only.

333 (5) A licensed individual may view his own personal data, but may not change or  
334 add data in CACTUS except under the following circumstances:

335 (a) A licensee may change the licensee's contact and demographic information at  
336 any time;

337 (b) An employing LEA may correct a current educator's assignment data on behalf  
338 of a licensee~~[-];~~ and

339 (c) A licensee may petition the Board for the purpose of correcting any errors in the  
340 licensee's CACTUS file.

341 (6) The Superintendent shall include an individual currently employed by a public  
342 or private school under a letter of authorization or as an intern in CACTUS.

343 (7) The Superintendent shall include an individual working in an LEA as a student  
344 teacher in CACTUS.

345 (8) The Superintendent shall provide training and ongoing support to authorized  
346 CACTUS users.

347 (9) For employment or assignment purposes only, authorized LEA staff members  
348 may:

349 (a) access data on individuals employed by the LEA; or

350 (b) view specific limited information on job applicants if the applicant has provided  
351 the LEA with a CACTUS identification number.

352 (10) CACTUS information belongs solely to the Board.

353 (g) The Superintendent may release data within CACTUS in accordance with the  
354 provisions of Title 63G, Chapter 2, Government Records Access and Management Act.

355 **R277-487-10. Educator Evaluation Data.**

356 (1)(a) The Superintendent may provide classroom-level assessment data to  
357 administrators and teachers in accordance with federal and state privacy laws.

358 (b) ~~A~~ S school administrator~~s~~ shall share information requested by parents while  
359 ensuring the privacy of individual personally identifiable student ~~[information]~~ data and  
360 educator evaluation data.

361 (2) A school, LEA, the Superintendent, and the Board shall protect ~~[h]~~ individual  
362 educator evaluation data ~~[shall be protected at the school, LEA and state levels and, if~~  
363 ~~applicable, by the Board]~~.

364 (3) An LEA shall designate employees who may have access to educator evaluation  
365 records.

366 (4) An LEA may not release or disclose student assessment information that reveals  
367 educator evaluation information or records.

368 (5) An LEA shall train employees in the confidential nature of employee evaluations  
369 and the importance of securing evaluations and records.

370 **R277-487-11. Application to Third ~~[Party Contractors]~~ Parties.**

371 (1) The Board and LEAs shall set policies that govern a third party contractor's  
372 access to personally identifiable student data and public school enrollment verification data  
373 consistent with Section 53~~[A-1-1401]~~ E-9-301, et seq.

374 (2) An LEA may release personally identifiable student ~~[information]~~ data and public  
375 school enrollment verification data to a third party contractor if:

376 (a) the release is allowed by, and released in accordance with, Section 53~~[A-1-~~
