

## A Day in Kindergarten

In Keesha's kindergarten classroom, the day started	7
with meeting time. The children sang a song each day.	17
They also talked about the weather. Next, they had	26
show-and-tell. Today Tim talked about his toy	33
spaceship. He passed it around for everyone to see.	42
Then it was reading time. The letter of the week	52
was D. Ms. Clarke read a book about dolphins.	61
The children had time to draw pictures. Keesha	69
drew a picture of her favorite animal. It was a dolphin!	80
