

## Utah Educator LiveScan Fingerprint Sites

The Educator Licensing Department is working remotely for the time being. We apologize for any inconvenience. Please see the Contact Us page. We will respond to your emails in the order received. Please note that many services offered by the USBE, local LEAs, and other agencies are either temporarily suspended or are offering very limited services. Please call ahead to fingerprinting offices and/or testing centers to ensure that the service will be available when you arrive. The USBE will be monitoring the delays and considering extensions to deadlines as the situation progresses. Thank you for your patience and understanding as we work safely to support our educators and students.

The following is a list of sites that have agreed to provide LiveScan fingerprinting services to Utah educators. For information regarding sites available to classified employees or volunteers at a local education agency (LEA), please contact the sites directly. Individual sites may or may not provide LiveScan services from other entities (i.e. Dept. of Health), contact the individual site for more details. If you are a Utah educator and charged a usage fee higher than that listed on this document, please contact USBE Licensing immediately at (801) 538-7740.
