Supports on the Horizon

- Legislators have set aside Turnaround Funds to support 25 schools in TSI in partnership with Ed Directions
- A proposal is in the works to bring the WestEd CALL to all TSI schools for one year. You can learn more here: <https://www.wested.org/service/four-domains-comprehensive-assessment-leadership-learning-survey/>
- We are working to bring in Creative Leadership and Dr. Doug Reeves to support our school improvement efforts for 21/22 school year.
- It is unknown when the next exit opportunity will be for TSI Schools. We are waiting for the US Dept of Ed response to the state's waiver request.
